August 16, 1967 - February 14, 2024

Chadd Bradbury Tindall, age 56 years, of Delaware Township, NJ, passed away peacefully on Wednesday, February 14, 2024, with his loving wife and brother by his side.

As a life-long resident of Delaware Township, Chadd graduated Hunterdon Central Regional High School. He attended Delaware Valley College then obtained his Doctorate in Veterinary Medicine from St. George's University School of Veterinary Medicine. He was deeply rooted in the local community where he owned and operated two veterinary clinics – Mobile Veterinary Services (Sergeantsville) and Voorhees Corner Veterinary Clinic (Flemington) – allowing him to share his passion for all creatures great and small.

Throughout his life, Chadd possessed an affinity for animals and a deeply ingrained love of nature. As an avid outdoorsman, he found his greatest peace and pleasures when hunting or fishing, largely owing to the friendships and camaraderie associated with these activities. He was also a skilled horticulturist often spending endless hours maintaining his property and gardens.

For those who knew him best, Chadd will be remembered most for his eternal optimism, quick wit, and caring disposition in fostering the personal relationships he valued above all else. His spirit, characterized by generosity, warmth, and a genuine love for life, will continue to live on in the hearts of his family, friends, and all the lives he touched.

Chadd is survived by his beloved wife, Chelsea (Opdyke); his parents, Dr. Edward and Beverly Tindall; his siblings, brother Caleb Tindall and sister Rebekah (Michael) Corr; his adored nieces and nephews, Lauren and Joshua Tindall; Ellis and Kellan Corr.
